MASSIMODECARLO

Liu Xiaodong
Biografia

Liu Xiaodong, nato nel 1963 in Jincheng, Provincia di Liaoning, Cina, vive e lavoro a Pechino.

È maggiormente conosciuto per il suo coinvolgimento nella nuova generazione di realismo Cinese, caratterizzato dalla necessità di rompere le barriere storiche e propagandistiche per esprimere emozioni più sincere. Xiaodong è costantemente alla ricerca di scena che sono parti integranti della vita di tutti i giorni. Ricercando le parti più intime delle persone, ritare momenti e storie della vita dell'uomo contemporaneo dimostrando una peculiare empatia, catturando non solo i caratteri psicologici ma anche l'ambiente circostante. La sua pratica affronta problemi sociali contemporanei, come la migrazione, crisi ambientali, condizioni di vità dei meno fortunati e risultati di politiche aggressive e di rovine economiche.
