

# Dominique Fung

## Biografia

Dominique Fung (nata nel 1987, lavora a New York) è un'artista canadese con radici a Hong Kong e Shanghai. La sua pratica esplora il territorio liminare in cui tradizione, memoria ed eredità si insinuano nella nostra coscienza collettiva. Grazie al suo racconto di storie trascurate o del tutto dimenticate e all'uso di specifici artefatti storici che arricchisce di qualità umane e di complessi percorsi narrativi, l'artista crea un nuovo, più ampio e alternativo spazio di appartenenza.
