

Alfie Caine

Biography

Alfie Caine was born in 1996 in London, UK. He lives and works in East Sussex, UK.

Caine's artistic practice centres on crafting expansive worlds that operate at all levels; in the architecture and fantasised countryside beyond their windows, down to the minutiae of cutlery, tiles, and fabrics. Navigating through dreamlike architectural landscapes becomes both a refuge from personal challenges and a powerful avenue for self-expression.

The former architecture graduate has exhibited internationally, including: *Rivers and Rooftops*, MASSIMODECARLO, London (2025); *The Chalk Carver's House*, Margot Samel, New York (2025); *Green Stairway and Yellow Roses*, MASSIMODECARLO, Paris (2024); *Moments of Calm*, JARILAGER Gallery X Lotte Gallery, Seoul, South Korea (2022); and Whitechapel Gallery Art Icon Auction, London (2023). His work has recently featured in *The Anomie Review of Contemporary British Painting Volume 3*.
